PURPOSE

To obtain <u>889 Representation</u> from a vendor providing supplies and/or services to the US Government who does not have an updated FAR 52.204-26 (Oct 2020) in the System for Award Management (SAM).

An <u>889 Representation</u> is **not required** for <u>SF-182 training purchases</u>, <u>intra-governmental/inter-governmental</u> purchases, or purchases against a contract (including BPAs). For these purchases, the <u>889 annotation</u> is: <u>889</u> <u>Payment</u>. See instructions below.

An <u>889 Representation</u> is **not required** from any merchant who has an <u>active SAM Registration with an</u> <u>updated FAR 52.204-26 (Oct 2020)</u>. Cardholders may verify the SAM Registration by using either the Robotic Process Automation (RPA) or verifying at <u>www.sam.gov</u> directly:

- a. To use the RPA, send an email to <u>info@section889request.com</u> with a valid UEI or CAGE Code number in the subject line and no text in the body of the email. The system should send a response within 5 minutes. For further instructions, see *Instructions for Robotic Process Automation Capability for Confirming Section 889 Prospective Offeror Responses in the System for Award Management.*
- b. To verify in SAM directly, go to: <u>www.sam.gov</u>. You MUST sign in to use SAM. Locate the merchant using the Search link [CAGE Codes do not contain the letter O; only zero (0)]. Click the Merchant Name. Click the Reps & Certs link on the left side of the screen. Scroll down to FAR 52.204-26. Press the link (FAR 52.204-26) to open the representation.
