Survey Says: Multiple Generations Reveal Their Workplace Preferences*

5 generations

For the first time, employers are managing up to 5 generations in the workplace.

3 most prevalent generations in the workplace today:

Millennials

Gen X

Baby Boomers

Finding inspiration

Millennials are more inspired at home while Gen Xers and Baby Boomers find inspiration at the office.

43%

of Gen Xers and 48% of Millennials prioritize fresh foods when it comes to wellness.

Lighting up.

3 of 5 generations agree they'd like more natural light in the office.

48%

of Baby Boomers look for ergonomic furniture as part of a wellness program.

38%

of Gen Xers and 35% of Millennials rank salary as their #1 motivator at work.

Beware of burnout

3 of 5 generations feel overworked and burned out.

Work with purpose

Baby boomers and Gen Xers are more motivated by having a sense of purpose than Millennials.
